## Upcoming Events

### ClaySpace Gallery Show for the Month of May

Ken Maloney is an impressionistic potter that values function in his work, infusing tactile beauty in the forms and painterly glaze work.

Deana Bada is a sculptor passionate about the forms in nature and their function in mythology and other cultures.

Join us!  
**Opening Reception**  
Friday, May 6th 7:00-9:00pm

### Free at ClaySpace ClaySpace Demo Days

Saturday, June 4, 11am  
Throwing Tall & Thin by Jean Burnett

Jean will demonstrate tool techniques using sticks and ribs and show you how to make goblet stems, tall vases and spouts. She will also do 10 second plate and casserole bases. Jean is an accomplished artist and teacher. Her talent, ceramic shapes and altered pieces are inspiring.

ClaySpace, a 501(c)(3) is nonprofit organization established in 2006. Our studio offers classes and workshops and is a working studio for over 55 resident artists whose wares can be seen and bought in our on site gallery. See our website for more information.
